ODEUR

Odeur was founded in Stockholm in 2006, as an innovative brand experiment. The brand decided to use and implement a specific white, light and cleanscent, instead of a visual logotype to label the graphic and dramatic, yet playful garments. Initially a restricted collection of sheer cotton shirts and clean cut tees, Odeur kept developing whilst maintaining its original philosophy.

Today, Odeur is designed by *Petter Hollström* and *Gorjan Lauseger* and has spread to over 20 countries, selling fine jersey garments, outerwear, accessories and fashion clothing. The collection is represented at selected fashion forward thinking retailers worldwide.
